

TCAGO Archives Mission Statement

Proposed/Accepted October 26, 2009

The Twin Cities American Guild of Organists Archives identifies, collects, preserves and makes accessible materials of long-term value for the benefit of the TCAGO, its members and the wider community. The archives sustain our culture and safeguard our memories. They provide a perspective on which to base planning and to avoid past mistakes.

AGO Mission Statement

The purpose of the American Guild of Organists is to promote the organ in its historic and evolving roles, to encourage excellence in the performance of organ and choral music, and to provide a forum for mutual support, inspiration, education, and certification of Guild members.
