Opening Events Are Rescheduled

Hector Olivera: *Tantalizing Transcriptions and Tangos*
Sunday, June 5, 2022, 2:00 p.m. (CT)
Carlson Family Stage, Northrop Memorial Auditorium
84 Church Street SE, Minneapolis

Northrop and the TCAGO present internationally acclaimed organ virtuoso [Hector Olivera](#) as he makes his Northrop debut in a program that features works by Meyerbeer, Elmore, Franck, Vierne and more. Beginning at age three on the pipe organ in Buenos Aires, the Juilliard-trained organist now commands the finest organs on the world stage.

The event, originally scheduled for Sunday, October 17, 2021, will now close out our chapter's program year on **Sunday, June 5, 2022**. It will begin with the **premiere** of a 45-minute documentary film, *The Northrop Organ: Past, Present and Future*. The film tells the story of Northrop's Aeolian-Skinner pipe organ, Opus 892, from its beginning in 1932 to the present day. The documentary is produced by the TCAGO in anticipation of the regional convention in the Twin Cities coming July 2023.

Immediately following the concert, join us for a **Celebratory Reception** at the [Campus Club](#) in Coffman Memorial Union hosted by the TCAGO. Connect with friends, colleagues, and lovers of organ music while enjoying a complimentary beverage and an inspired menu of locally-sourced food prepared by executive chef, Beth Jones. Space is limited, and early registration is recommended. Register for the reception when ordering your concert tickets. Find tickets and event registration details at [Northrop](#).

In addition to the opening event program, Olivera will present *The Art of Transcription: Vivaldi's "Seasons" and The Tangos of Astor Piazzolla*, on the following day, **Monday, June 6 at 7:00 p.m.** at Northrop. Monday's event will be free and open to the public.

Remember, this is the [AGO Year of the Young Organist](#), and we encourage you to consider extending an invitation to young organists to these and other events.

Watch your email and future *Pipenotes* for additional event and registration information in the near future.

Transitions & Gratitude

Six years ago, my wife and I moved from Louisiana to the Twin Cities; although I am a native of Saint Cloud, it proved to be a challenging transition since we had to form new relationships, begin new jobs, reevaluate our notion of winter attire, etc. During that unsettled time, I fondly recall being contacted by various TCAGO members who went out of their way to help me gain my footing in this new land. Soon thereafter I began to attend TCAGO sponsored events, form relationships with fellow musicians, participate in chapter events, and within a year David Jenkins invited me to join the program committee.

Why take this brief stroll down memory lane? It illustrates how the TCAGO helped a small fish in a big pond get acclimated to a new professional environment, and why I now have the honor to serve as your next dean. I invite you to think of the ways in which our chapter, or other chapters of the American Guild of Organists, has influenced your life and why you might invite others to join the TCAGO.

In closing I want to express my gratitude, on behalf of the Twin Cities Chapter of the American Guild of Organists, to those who have served our chapter admirably during the past several years:

David Jenkins continued the tradition of excellent programming as sub dean, and subsequently guided our chapter through the complicated winds of COVID-19 as dean. As everything was in a state of flux, David recognized the needs of our chapter and established the Dues Forgiveness Program as well as the Members Relief Fund. In addition, he explored creative avenues in which to keep our chapter engaged through digital programming, Zoom sessions, the Northrop documentary, and not to mention the various projects prior to the pandemic such as the planning of a regional convention. Thank you, David, for your unyielding energy, compassion, clarity, support and leadership.

Merritt Nequette will be 'retiring' as editor of our monthly newsletter *Pípenotes* after ten years of faithful service. Merritt answered the call of James Callahan to serve in this position in 2011-12 and we are grateful to you for the countless hours you invested in providing a monthly publication that has kept us all on the same page. We wish you the very best, Merritt.

The outgoing class of our executive board: **Jessica Park, Phillip Radtke, Joe Trucano, and Liisa Keranen**. During the past three years these individuals have generously offered their time, expertise and knowledge in service of the TCAGO; we thank you for helping our chapter continue to thrive.

Last but not least, please join me in welcoming our new editor of *Pípenotes*, **Kirsten Uhlenberg**. Thank you, Kirsten, for following Merritt into this important role in the life of our chapter.

If you are interested in serving our chapter in any capacity, please email me: jacob@ourladyoflourdesmn.com

TCAGO Organ List Transfer Complete

The [Twin Cities Chapter AGO Organ List](#), a database of area instruments, has been transferred to a new format by David Engen. Dick Greene started the project in the 1970s. Over 5,000 organs in Minnesota, North and South Dakota, Iowa, and Wisconsin are included. Many members have provided information and photographs. The project is on-going. If you notice any information needing updates or corrections, please contact [David Engen](#).

From the Program Committee

JENNIFER ANDERSON

Greetings from your TCAGO Program Committee! First, let me introduce our team to you: **Michael Barone, Jeremy Haug, Kathrine Handford, Isaac Drewes, and Jennifer Anderson** (chair). We also are so grateful for ex-officio members who continue to offer their wisdom and expertise when called upon: **Jacob Benda** and **David Jenkins**.

This summer, the Program Committee has been hard at work preparing for our 2021-2022 season. After so many months of virtual concerts, our goal is to offer live music events as much as possible in the coming year. But even as I write this, we are continuing to grapple with the changing realities of COVID-19, and so will be keeping the chapter aware of any changes or postponements.

As we balance keeping our members safe with the strong desire to meet again in person, we will keep you apprised of what our TCAGO programming will look like. In the meantime, I wish you all the best as you head into the fall and invite you to contact me (or any member of our committee) if you have ideas or suggestions.

Summer Music Camp with Mini Opus

PHIL ASGIAN AND PHIL RADTKE

TCAGO Education Committee members **Phil Radtke** and **Phil Asgian** traveled with mini opus to present two summer workshops to students and adults at St. John's Lutheran Church in Howard Lake, Minnesota. We received an invitation from our colleague **Mary Newton**, who is the Organist and Music Director at St. John's.

On July 29, we presented a class on the pipe organ with mini opus, our Chapter's demonstration instrument. This presentation was a part of St. John's Summer Music Camp, a week-long music camp offering students a wide variety of music opportunities, including organ lessons on the two-manual Wicks organ. In this presentation we had science experiments on sound and the organ, and a chance for students to get engaged in pulling stops on the demonstration instrument.

This was followed on Sunday, August 1, with a similar class for the congregation after worship. The congregation has recently purchased the chapel organ from Luther Seminary and it will be installed at St. John's with additions

from the current instrument. Both sessions also included the world premiere of a new video on the differences of

the pipe organ and the piano, by **Phil Radtke** as part of our educational efforts to produce more digital content around the organ. Our sincere thanks to **Mary Newton**, Organist and Director of Music and **Pastor Paul Koch** from St. John's for the invitation.

Willkommen, Wolfgang!

MICHAEL BARONE

Some TCAGO members may have heard the news already but, in case you missed out, here's the scoop. Our local musical community has been enriched by the arrival of

an extraordinary artist to the Twin Cities area. **Professor Wolfgang Rübsum** and his wife Jan, in order to be closer to their daughter, son-in-law, and granddaughter in Minneapolis, last autumn purchased a home in Inver Grove and moved from Valparaiso, Indiana to Minnesota.

The name Rübsum should not be unfamiliar to any who collect recordings of organ music, or the works of Bach. While still in his twenties, after studies with Helmut Walcha and Marie-Claire Alain, Wolf recorded the complete organ works of Bach. This project was issued by Philips Records in a huge LP album (later briefly available in CD format). He later re-recorded the Bach works, with a different interpretive perspective, for Naxos Records. Over the years he's also recorded the complete works of Louis Vierne (to be released on eight CDs later this year), Dieterich Buxtehude, Jehan Alain, Jean Adam Guilain, and Felix Mendelssohn, the twelve major scores of César Franck as well as a substantial collection of works by Josef Rheinberger, Georg Philipp Telemann, and Johann Gottfried Walther, plus major works by Percy Whitlock, Max Reger, Edward Elgar and Franz Liszt.

A considerable amount of other Bach keyboard music (English Suites, French Suites, Partitas, Inventions and Sinfonias, both books of the *Well-tempered Clavier*, Toccatas) also has been recorded, some of it on a Bösendorfer grand and, more recently, on a Keith Hill *lautenwerk* (lute-harpsichord). Many of these are available online for download.

In addition to his own performances, Wolf has been very active as a recording engineer for many other projects issued by Naxos. And as of late July, he assumed the post

of organist at the Church of Saint Louis, King-of-France, in downtown Saint Paul.

We welcome Herr Rübsum and his family to Minnesota, and look forward to getting to know them better.

Saint John's Abbey Pipe Organ Inaugural Events

Saturday, September 18–Sunday, September 19
Saint John's Abbey and University Church
Collegeville, Minnesota

All are welcome to attend the events of blessing and dedication of the expanded [Holtkamp-Pasi pipe organ](#) in Saint John's Abbey and University Church. On **Saturday, September 18 at 7:00 p.m.**, the **Solemn Blessing** of the pipe organ will take place, Abbot John Klassen, OSB, presiding. The event will include the world premiere of Three Intermezzi for Organ by William Bolcolm, a piece commissioned by Saint John's Abbey through the generous donation from Jeff (SJU '87) and Jamie Barnett. Additionally, the event includes the singing of the newly commissioned hymn text "Never Silent In Your Praises" by Sister Delores Dufner, OSB, to the newly commissioned hymn tune SAINT JOHN'S ABBEY, by Sally Ann Morris. Also performing are organists Fr. Robert Koopmann, OSB, Dr. Kim Kasling, Fr. Anthony Ruff, OSB, Br. David Klingeman, OSB, and Br. Jacob Berns, OSB.

On Sunday, **September 19 at 2:00 p.m.**, an **'exploration'** of the resources of the expanded Holtkamp-Pasi pipe organ will be hosted by Michael Barone and Fr. Robert Koopmann, followed by **the inaugural concert at 3:00 p.m.**, highlighting the expansion with performances from the talented alums of the College of Saint Benedict and Saint John's University/School of Theology and Seminary. Stephen Tharp was originally scheduled to perform on September 19. However, due to the continued issues surrounding the pandemic, his performance will be rescheduled at a later date.

The instrument combines the Abbey's iconic original installation (61 ranks of pipes, completed in 1961 by Walter Holtkamp, Senior) with a 46-rank expansion by Martin Pasi, completed this past year and intended to provide added power and versatility for the instrument within the expanse of the modern Marcel Breuer-designed church.

Please visit saintjohnsabbey.org/concerts for more information. These are free events, open to the public. Wearing masks indoors is requested.

TCAGO Event Promotion via *Pipedreams*

A comprehensive listing of organ events statewide is available online via the *Pipedreams Organ Calendar*. Information there is only as good as the information provided to it, so you are encouraged to send event listings for inclusion at the earliest possible time.

For both on-air and website listings of organ-related activities, please send information to *Pipedreams* host (and longtime TCAGO member) [Michael Barone](#), or by mail to: *Pipedreams* Calendar, 480 Cedar St., Saint Paul, MN 55101. In a pinch, you may call 651-290-1539.

You are also encouraged to regularly request organ selections on the *Friday Favorites* show with [Steven Staruch](#). Help promote the inclusion of more organ music in MPR's programming.

NOTE: It is requested that you include this text in printed programs for any local organ concerts you play or present:

Enjoy the gamut of the pipe organ experience...from ancient to modern, sacred to secular, classical to popular...with weekly broadcasts of *Pipedreams* from American Public Media. Broadcasts in the Twin Cities are heard Sunday mornings (6–8 a.m.) on KSJN-99.5FM and other stations in the Classical MPR network. For your convenience, *Pipedreams* also is globally available 24/7 at www.pipedreams.org or www.yourclassical.org/pipedreams.

The [Organ Calendar](#) is accessible online and is read in week-appropriate summaries beginning at 7:00 a.m. during each Sunday morning *Pipedreams* broadcast.

Additional note from Michael:

In these COVID-complicated days, mail is better sent to me at my home address: 456 Cherokee Ave., Saint Paul MN 55107. The office phone still works, and I get emails of messages left there.
